

A DETAIL VIEW:
Jefferson Street between Leavenworth and Hyde streets

B DETAIL VIEW:
Jefferson Street at Jones Street

C DETAIL VIEW:
Jefferson Street at Powell Street

- 1** Special intersection design emphasizing entrance to Jefferson Street, Aquatic Park, and Hyde Street Pier
- 2** Outdoor seating for restaurants/cafes (sample location)
- 3** New pedestrian amenities (sample location)
- 4** Significantly widened sidewalks
- 5** Widened deck platform for seating; could possibly include a new step down plaza towards boats on western end.
- 6** Special intersection design emphasizing "heart" of the Wharf
- 7** Improved landscaping around the edge of the parking lot to buffer against the visually unattractive approach to Taylor Street restaurants.
- 8** Gateway to the Little Embarcadero
- 9** Gateway to Jefferson Street; highlighting the special nature of the street.
