PLANNING CODE & ADMINISTRATIVE CODE AMENDMENT

The proposed Ordinance would amend the San Francisco Planning Code by amending Sections 790.90, 790.91, and 790.102 to allow small self-service restaurants and retail coffee stores to exclude the square footage of floor area required for disabled access from the calculation of maximum allowable square footage for such uses under applicable zoning restrictions.

The proposed ordinance also amends the San Francisco Administrative Code by adding Chapter 38, Sections 38.1 through 38.6; amends the San Francisco Campaign and Governmental Conduct Code Section 3.400; requiring commercial landlords leasing to small businesses for public accommodations to: 1) bring ground floor entrances to, and exits from, the building into compliance with applicable state and federal disability access laws; 2) inform small business tenants of the potential legal and financial liabilities for failure to comply with those laws; 3) include in any new or amended leases a provision addressing the respective obligations of the landlord and small business tenant to bring the leased premises into compliance with those access laws; 4) require the City to give priority to building permit applications for work to bring space leased to small business tenants into compliance with those access laws; and 6) adopt environmental findings, Planning Code Section 302 findings, and findings of consistency with the General Plan and Planning Code Section 101.1

The Commission is free to comment on any part of the proposed legislation before them.

The Way It Is Now:

This Section only covers amendments to the Planning Code and does not discuss amendments to other City Codes.

Small Self-Service Restaurants are limited to 1,000 sq. ft. of Gross Floor Area, and Retail Coffee Stores are not permitted to have more than 15 seats with no more than 400 square feet of floor area devoted to seating. Gross Floor Area calculations do not currently exclude the square footage of floor area required for disabled access and there is no specific provision in the Code that excludes the square footage of floor area required for disabled access from the seating area in Retail Coffee Stores.

The Way It Would Be:

This Section only covers amendments to the Planning Code and does not discuss amendments to other City Codes.

The proposed ordinance would allow Small Self-Service Restaurants and Retail Coffee Stores to exclude the square footage of floor area required for disabled access from the calculation of maximum allowable square footage for these uses.

REQUIRED COMMISSION ACTION

The proposed Ordinance is before the Commission so that it may recommend adoption, rejection, or adoption with modifications to the Board of Supervisors.

RECOMMENDATION

The Department recommends that the Commission recommend *approval with modifications* of the proposed Ordinance *with modifications* to include:

1. Modify Planning Code Section 102.9, Gross Floor Area, to exclude the square footage of floor area required for disabled access from the calculation of Gross Floor Area.

BASIS FOR RECOMMENDATION

The Department is recommending that area dedicated to disable access be exempt from all Gross Floor Area Calculations because such accesses is necessary for the operation and function of a building or use, and in some cases is required by the Americans with Disabilities Act (ADA). The Planning Code already exempts floor area dedicated to other uses essential for a building's operation and function; such as mechanical equipment, elevator and stair penthouses, maintenance areas, and the like. Further, the Department is in the process of developing legislation that would exempt bicycle parking from Gross Floor Area calculations in recognition of the greater public benefit that this use provides.

The Planning Commission recently recommended the consolidation of the eating and drinking definitions in the Planning Code. If ultimately adopted into law, this consolidation would remove the Small Self-Service Restaurant and Retail Coffee Store definitions from the Planning Code, which would delete the proposed changes to the Planning Code under this legislation. The Department believes that the idea behind the legislation, not penalizing business or property owners when they provide disable access, is a good one and should apply not just to restaurants and coffee stores, but all uses.

ENVIRONMENTAL REVIEW

The proposal to amend the San Francisco Administrative Code by adding Chapter 38, Sections 38.1 through 38.6; amending the San Francisco Planning Code Sections 790.90, 790.91, and 790.102; amending the San Francisco Campaign and Governmental Conduct Code Section 3.400 would result in no physical impact on the environment. The proposed amendment is exempt from environmental review under Section 15060(c)(2) of the CEQA Guidelines.

PUBLIC COMMENT

As of the date of this report, the Planning Department has not received any comments regarding the proposed Ordinance.

RECOMMENDING THAT THE BOARD OF SUPERVISORS ADOPT A PROPOSED ORDINANCE WITH MODIFICATIONS THAT WOULD AMEND PLANNING CODE SECTIONS 790.90, 790.91, AND 790.102 TO ALLOW SMALL SELF-SERVICE RESTAURANTS AND RETAIL COFFEE STORES TO EXCLUDE THE SQUARE FOOTAGE OF FLOOR AREA REQUIRED FOR DISABLED ACCESS FROM THE CALCULATION OF MAXIMUM ALLOWABLE SQUARE FOOTAGE FOR SUCH USES UNDER APPLICABLE ZONING RESTRICTIONS.

PREAMBLE

Whereas, on September 27, 2011, Supervisor Chiu introduced a proposed Ordinance under Board of Supervisors (hereinafter "Board") File Number 11-1047 which would amend Sections 790.90, 790.91, and 790.102 to allow small self-service restaurants and retail coffee stores to exclude the square footage of floor area required for disabled access from the calculation of maximum allowable square footage for such uses under applicable zoning restrictions; and

Whereas, the proposed ordinance would also amend the San Francisco Administrative Code by adding Chapter 38, Sections 38.1 through 38.6; amends the San Francisco Campaign and Governmental Conduct Code Section 3.400; requiring commercial landlords leasing to small businesses for public accommodations to: 1) bring ground floor entrances to, and exits from, the building into compliance with applicable state and federal disability access laws; 2) inform small business tenants of the potential legal and financial liabilities for failure to comply with those laws; 3) include in any new or amended leases a provision addressing the respective obligations of the landlord and small business tenant to bring the leased premises into compliance with those access laws; 4) require the City to give priority to building permit applications for work to bring space leased to small business tenants into compliance with those access laws;

Whereas, on December 15, 2011, the San Francisco Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinance; and

Whereas, the proposed zoning changes have been determined to be categorically exempt from environmental review under the California Environmental Quality Act Section 15060(c)(2); and

Whereas, the Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of the applicant, Department staff, and other interested parties; and

Whereas, the all pertinent documents may be found in the files of the Department, as the custodian of records, at 1650 Mission Street, Suite 400, San Francisco; and

Whereas, the Commission has reviewed the proposed Ordinance; and

MOVED, that the Commission hereby recommends that the Board of Supervisors recommends *approval of the proposed Ordinance with modifications* and adopts the attached Draft Resolution to that effect.

Specifically, the Commission recommends the following modifications:

1. Modify Planning Code Section 102.9, Gross Floor Area, to exclude the square footage of floor area required for disabled access from the calculation of Gross Floor Area.

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. Providing disabled access is necessary for the operation and function of a building or use and in many cases it is required by the American's with Disabilities Act.
2. Gross Floor Area calculations do not currently exclude floor area dedicated to disabled access.
3. The Planning Commission recently recommended changes to the Planning Code that would remove the Small Self-Service Restaurant and Retail Coffee Store use categories from the Planning Code. If those changes are adopted into law, the subject legislation would become obsolete.
4. **General Plan Compliance.** The proposed Ordinance is consistent with the following Objectives and Policies of the General Plan:

I. COMMERCE & INDUSTRY ELEMENT

THE COMMERCE AND INDUSTRY ELEMENT OF THE GENERAL PLAN SETS FORTH OBJECTIVES AND POLICIES THAT ADDRESS THE BROAD RANGE OF ECONOMIC

ACTIVITIES, FACILITIES, AND SUPPORT SYSTEMS THAT CONSTITUTE SAN FRANCISCO'S EMPLOYMENT AND SERVICE BASE.

GOALS

THE THREE GOALS OF THE COMMERCE AND INDUSTRY ELEMENT OF THE GENERAL PLAN RELATE TO CONTINUED ECONOMIC VITALITY, SOCIAL EQUITY, AND ENVIRONMENTAL QUALITY.

OBJECTIVE 1

MANAGE ECONOMIC GROWTH AND CHANGE TO ENSURE ENHANCEMENT OF THE TOTAL CITY LIVING AND WORKING ENVIRONMENT.

Policy 1.2

Assure that all commercial and industrial uses meet minimum, reasonable performance standards.

The proposed legislation as amended by the Planning Commission would make it easier for new buildings and businesses to meet minimum disabled access standards by excluding areas dedicated to disable access from their Gross Square Footage requirements.

OBJECTIVE 6

MAINTAIN AND STRENGTHEN VIABLE NEIGHBORHOOD COMMERCIAL AREAS EASILY ACCESSIBLE TO CITY RESIDENTS.

POLICY 6.2

Promote economically vital neighborhood commercial districts which foster small business enterprises and entrepreneurship and which are responsive to economic and technological innovation in the marketplace and society.

The proposed Ordinance would lessen restrictions on small business owners by excluding areas dedicated to disable access from their Gross Square Footage requirements. Excluding this use from Gross Floor Area calculations allows business owners to better utilize their space without exceeding floor area ratio and non-residential use size limits in the Planning Code.

5. The proposed replacement project is consistent with the eight General Plan priority policies set forth in Section 101.1 in that:

A) The existing neighborhood-serving retail uses will be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses will be enhanced:

The proposed Ordinance will allow small business owners to provide disabled access without taking away floor space that helps generate revenue for the business.

- B) The existing housing and neighborhood character will be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods:

The proposed legislation would not have any negative impact on existing housing or neighborhood character.

- C) The City's supply of affordable housing will be preserved and enhanced:

The proposed Ordinance will have no adverse effect on the City's supply of affordable housing.

- D) The commuter traffic will not impede MUNI transit service or overburden our streets or neighborhood parking:

The proposed Ordinance will not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.

- E) A diverse economic base will be maintained by protecting our industrial and service sectors from displacement due to commercial office development. And future opportunities for resident employment and ownership in these sectors will be enhanced:

The proposed Ordinance would not adversely affect the industrial or service sectors or future opportunities for resident employment or ownership in these sectors.

- F) The City will achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

Preparedness against injury and loss of life in an earthquake is unaffected by the proposed amendments. Any new construction or alteration associated with a use would be executed in compliance with all applicable construction and safety measures.

- G) That landmark and historic buildings will be preserved:

Landmarks and historic buildings would be unaffected by the proposed amendments. Should a proposed use be located within a landmark or historic building, such site would be evaluated under typical Planning Code provisions and comprehensive Planning Department policies.

- H) Parks and open space and their access to sunlight and vistas will be protected from development:

The City's parks and open space and their access to sunlight and vistas would be unaffected by the proposed amendments. It is not anticipated that permits would be such that sunlight access, to public or private property, would be adversely impacted.

I hereby certify that the Planning Commission ADOPTED the foregoing Resolution on December 15, 2011.

8 incorporates those reasons herein by reference. A copy of Planning Commission Resolution
9 No. _____ is on file with the Clerk of the Board of Supervisors in File No. _____.

10 (c) This Board finds that the Planning Code amendments are consistent with the
11 General Plan and with the priority policies of Planning Code Section 101.1 for the reasons set

17 **CHAPTER 38: COMMERCIAL LANDLORDS; ACCESS**
18 **IMPROVEMENT OBLIGATIONS AND NOTICE TO SMALL**
19 **BUSINESS TENANTS REGARDING DISABILITY ACCESS**

20 **SEC. 38.1. FINDINGS.**

21 Given the significant number of small businesses in the City and County of San Francisco, the
22 Board of Supervisors finds:

23 (1) A strong public interest in ensuring that small businesses that are public accommodations
24 comply with applicable disability access laws and in ensuring clear communications between

1 Commercial Landlords and their Small Business Tenants regarding their respective responsibilities for
2 disability access.

3 (2) A strong public interest in ensuring clear communication between Commercial Landlords
4 and Small Business Tenants regarding the extent to which the Commercial Landlord has implemented
5 required disability access improvements.

6 (3) A strong public interest in protecting Small Business Tenants from unforeseen expenses and
7 liabilities arising out of required disability access improvements.

8 (4) The objectives of this ordinance are to ensure that (i) ground floor entrances and exits of
9 real property leased to Small Businesses comply with applicable disability access requirements before
10 a Small Business Tenant opens for business on the property and, (ii) every new and amended
11 commercial lease between a Commercial Landlord and a Small Business Tenant clearly and expressly
12 addresses their respective obligations regarding disability access improvements, and to help encourage
13 and facilitate disability access improvements by Commercial Landlords and Small Businesses.

14
15 **SEC 38.2. DEFINITIONS.**

16 For purposes of this Chapter 38:

17 (a) “Commercial Landlord” shall mean an individual or entity that owns real property in San
18 Francisco and leases that real property to a Small Business Tenant to operate as a Public
19 Accommodation.

20 (b) “Public Accommodation” shall have the same meaning as under Title III of the Americans
21 with Disabilities Act, 42 U.S.C. 12181(7) and the federal regulations adopted under that section, as
22 may be amended from time to time.

10 Effective on October 1, 2012 Commercial Landlords of any facilities used, or planned or zoned
11 for use by a Small Business as a Public Accommodation ("Public Accommodation Facility") shall,
12 before entering into a Small Business Lease:

13 (a) Ensure accessible ground floor entrances to, and exits from, the Commercial Landlord's
14 Public Accommodation Facility by removing all architectural barriers to disability access to the extent
15 that such improvements are required by, and readily achievable within the meaning of, any applicable
16 provisions of the Code of Federal Regulations sections 28 CFR 36.304 and 36.305, before such
17 Commercial Landlord leases commercial space in such building to a Small Business Tenant; and

18 (b) Provide written notice to each prospective Small Business Tenant (the "Disability Access
19 Notice") before signing a Small Business Lease that:

20 (1) Informs the Small Business Tenant of the Commercial Landlord's obligations under
21 Section 38.5 to ensure that each Small Business Lease must expressly include a provision in which the
22 Commercial Landlord and Small Business Tenant agree upon their respective obligations and
23 liabilities for making and paying for required disability access improvements on the property; and

24 (2) Informs the Small Business Tenant that it may be subject to legal and financial
25 liabilities if the Small Business Tenant uses the premises for a Public Accommodation but fails to bring

2 Small Business Tenant does not own the real property.

3 (c) The Commercial Landlord must obtain the Small Business Tenant's signature on the
4 Disability Access Notice on or before execution of the Small Business Lease, and must inform the Small
5 Business Tenant that the Commercial Landlord will be able to use the Small Business Tenant's
6 signature on the Disability Access Notice as proof that the Small Business Tenant has read and
7 understood the contents of the Disability Access Notice.

8
9 **SEC. 38.4. PRIORITY PERMIT PROCESSING.**

10 Where a Commercial Landlord or Small Business permit applicant demonstrates that the
11 Commercial Landlord has provided evidence of the provision of Disability Access Notice as required
12 under Section 38.3 for that real property, the City shall give priority under Section 3.400 of the
13 Campaign and Governmental Conduct Code to any permit application for work consisting primarily of
14 disabled access improvements as determined by the Zoning Administrator, to that real property.
15 Nothing in this Section 38.4 is intended to limit the scope of priority permit processing that current law
16 requires the Planning Department, Department of Building Inspection, or the Department of Public
17 Works to provide to permit applications.

18
19 **SEC. 38.5. LEASE PROVISIONS REGARDING RESPECTIVE OBLIGATIONS OF**
20 **LANDLORDS AND TENANTS FOR DISABILITY ACCESS IMPROVEMENTS.**

21 Beginning October 1, 2012, every Commercial Landlord shall include in each Small Business
22 Lease a provision in which the Commercial Landlord and Small Business Tenant agree upon their
23 respective obligations and liabilities for making and paying for required disability access
24 improvements on the real property.

1 Section 3. The San Francisco Campaign and Governmental Conduct Code is hereby
2 amended by amending Section 3.400 to read as follows:

3
4 **SEC. 3.400. PERMIT APPLICATION PROCESSING.**

5 (a) EQUAL TREATMENT OF PERMIT APPLICANTS. It shall be the policy of the
6 Department of Building Inspection, the Planning Department, the Department of Public Works
7 and the officers and employees of such departments to treat all permit applicants the same
8 regardless of the relationship of the applicant and/or the applicant's representatives to any
9 officer or employee of the City and County and regardless of whether the applicant hires a
10 permit consultant to provide permit consulting services. Intentional preferential treatment of
11 any permit applicant and/or the applicant's representatives by any officer or employee of the
12 Department of Building Inspection, the Planning Department, or the Department of Public
13 Works shall subject the officer or employee to disciplinary action for official misconduct.

14 (b) APPLICATION PRIORITY. It shall be the policy of the Department of Building
15 Inspection, the Planning Department, the Department of Public Works and the officers and
16 employees of such departments to review, consider, and process all applications, revisions,
17 corrections and other permit-related material in the order in which that type of material is
18 received unless there is a written finding of a public policy basis for not doing so, such as the
19 involvement of public funds in the project for which the permit is sought, or the response to a
20 delay caused by an earlier procedural error in processing the permit or another permit for the
21 same project. Absent such a finding, any officer or employee of the Department of Building
22 Inspection, the Planning Department, the or Department of Public Works who intentionally
23 fails to review, consider and process all applications, revisions, corrections and other permit-
24 related material in the order in which that type of material is received shall be subject to
25 disciplinary action for official misconduct. The Department of Building Inspection, the

1 Planning Department, and the Department of Public Works shall each adopt written guidelines
2 for determining when there is a public policy basis for processing permit material out of order.
3 For purposes of this section, and any corresponding written guidelines, work consisting primarily of
4 disabled access improvements for real property shall qualify as a public policy basis for processing
5 permit material out of order, on a priority basis.

6 (c) PERMIT PROCESSING CODE OF CONDUCT. No later than 60 days after the
7 effective date of this Article, the Ethics Commission shall adopt a code of conduct for permit
8 processing (the "Permit Processing Code of Conduct") containing ethical guidelines for permit
9 applicants, permit consultants, and officers and employees of the Department of Building
10 Inspection, the Planning Department, the and Department of Public Works. The Permit
11 Processing Code of Conduct shall be posted in a conspicuous place in each department, and
12 a copy shall be distributed to each officer of the City and County who makes or participates in
13 making decisions related to permit applications.

14 ~~(d) EFFECTIVE DATE. The provisions of this Section shall take effect December 15, 2004.~~

15
16 Section 4. The San Francisco Planning Code is hereby amended by amending
17 Sections 790.90, 790.91, and 790.102, to read as follows:

20 customers at a high turnover rate for consumption on or off the premises, which may or may
21 not provide seating. Such use exhibits the following characteristics:

22 (1) A gross floor area of 1,000 square feet or more, provided, however, that a

13 foods with no-site food preparation area, such as confectionery or produce stores. When a
14 fast-food restaurant operates within and in conjunction with another retail use, such as a retail
15 grocery store, the area of the fast-food restaurant use shall be measured to include the area
16 devoted to food preparation and service, seating and separate public food service counters,

13 local, state and federal disability access laws, including the applicable disability access provisions of
14 the California Building Code;

15 (2) A limited menu of ready-to-eat food prepared in advance of customer
16 orders, or food which is able to be quickly prepared for consumption on or off the premises;

17 (3) Food served in disposable wrappers or containers;

18 (4) Food is ordered and served at customer service counter;

19 (5) Food is paid for prior to consumption;

20 (6) Public food service area, including queuing areas and service counters

LEGISLATIVE DIGEST

[Administrative, Planning, and Campaign and Governmental Conduct Codes - Disability Access Improvements for Small Businesses and Landlord Obligations]

Ordinance amending the San Francisco Administrative Code by adding Chapter 38, Sections 38.1 through 38.6; amending the San Francisco Planning Code Sections 790.90, 790.91, and 790.102; amending the San Francisco Campaign and Governmental Conduct Code Section 3.400; requiring commercial landlords leasing to small businesses for public accommodations to: 1) bring ground floor entrances to, and exits from, the building into compliance with applicable state and federal disability access laws; 2) inform small business tenants of the potential legal and financial liabilities for failure to comply with those laws; 3) include in any new or amended leases a provision addressing the respective obligations of the landlord and small business tenant to bring the leased premises into compliance with those access laws; 4) require the City to give priority to building permit applications for work to bring space leased to small business tenants into compliance with those access laws; 5) allow small self-service restaurants and retail coffee stores to exclude the square footage of floor area required for disabled access from the calculation of maximum allowable square footage for such uses under applicable zoning restrictions; and 6) adopt environmental findings, Planning Code Section 302 findings, and findings of consistency with the General Plan and Planning Code Section 101.1.

Existing Law

The Administrative Code does not require Commercial Landlords to complete any disability access improvements as a prerequisite to leasing real property or to include in leases a provision addressing the parties' respective disability access obligations.

In addition, the Campaign and Governmental Conduct Code does not expressly state that disability access improvements constitute a public policy basis for priority processing.

Under the Planning Code, Small Self-Service Restaurants and Retail Coffee Stores cannot exclude square footage required to comply with disability access requirements from the size limits for such restaurants and stores in certain zoning districts.

Amendments to Current Law

Under the proposed Ordinance, as of October 1, 2012, Commercial Landlords, prior to leasing property to a Small Business Tenant, must bring their ground floor entrances and exits into compliance with applicable disability access laws, notify Small Business Tenants of potential liabilities for failure to comply with those laws, and include in any lease the parties' respective disability access obligations.

The Ordinance would allow the appropriate City departments to grant priority processing to building permit applications for disability access improvements.

The Ordinance also allows certain small restaurants and coffee stores to exclude the square footage of floor area required for disabled access from the maximum allowable square footage for such uses under zoning restrictions so they can use the additional space for disabled access improvements without becoming an unpermitted use in such areas or requiring a conditional use authorization.
