# PLANNING DEPARTMENT Director's Report

PLANNING DIRECTOR:  
**JOHN RAHAIM**

April 3/4 2013

## ANNOUNCEMENTS:

### Permit and Project Tracking System

The Planning Department in conjunction with the Department of Building Inspection held a public open house on March 20<sup>th</sup>. Over 50 people attended the informational meeting to view the features of the new system.

Another informational session is planned for June, with system implementation on-track for this fall. Anyone can sign up to receive updates on the project at: <http://www.sfplanning.org/index.aspx?page=3340>.

Planning and DBI also issued an online survey to collect public feedback on our existing systems, DBI's Permit Tracking System and Planning's Property Information Map, as well as the new system. The survey can be found at: <https://www.surveymonkey.com/s/permitprojecttrackingsystem>. Feedback is encouraged!

## PUBLIC EVENT:

### Castro Street Design Workshop

Date: Wednesday, April 3, 2013  
Time: 7:00-9:00 p.m.  
Location: Harvey Milk Civil Rights Academy Auditorium, 4235 19th Street  
(between Diamond & Collingwood)

The City, along with the Castro/Upper Market Community Benefit District, merchants of Upper Market and Castro, and the Castro/Eureka Valley Neighborhood Association invites all interested parties to attend the project's second workshop. The April 3<sup>rd</sup> community meeting will include a presentation of the revised conceptual design followed by an opportunity to provide feedback on the design.

The Castro Street Design Project is a collaborative effort of the San Francisco Planning Department, Municipal Transportation Agency, Department of Public Works, Supervisor Scott Wiener and builds on previous planning efforts lead by the Castro/Upper Market Community Benefit District and local merchants.

For more information about the Castro Street Design, visit <http://castrostreetsdesign.sfplanning.org>.
