**Re: Transmittal of Planning Department Case Number 2008.0205T
Board File Number 08-0232: Medical Cannabis Dispensaries**

Dear Ms. Cavillo,

The Planning Commission held a duly noticed public hearing on a proposed Ordinance contained in the aforementioned Board file on April 3, 2008.

The proposed Ordinance would amend Planning Code Sections 209.3, 790.141, and 890.133, to extend the time period for Medical Cannabis Dispensaries ("MCDs") to obtain a final permit by January 21, 2009.

Environmental Review of the project was completed and a General Rule Exclusion was issued by the Planning Department on February 26, 2008.

At the April 3rd hearing, the Planning Commission adopted Resolution Number 17577 to recommend that the Board of Supervisors adopt the proposed Ordinance with one modification: that the Ordinance add language to clarify that Medical Cannabis Dispensaries cannot locate or be legalized in an RH (Residential, House) or RM (Residential, Mixed) Zoning Districts.

Please find attached documents relating to the Commission's action. If you have any questions or require further information please do not hesitate to contact me.

Sincerely,

John Rahaim
Director of Planning
